

**CHARTER – JUNE 3, 2010**  
**KHIE COORDINATING COUNCIL**  
**PROVIDER ADOPTION & MEANINGFUL USE COMMITTEE**

<b>Purpose</b>	Assists the GOEHI and KHIE Coordinating Council to develop a plan to enable HER adoption and meaningful use of HIE among clinicians and healthcare organizations
<b>Committee Chair</b>	David Bolt
<b>Membership</b>	Eric Lunde, William Adams, William Travis, MD, Ruth Booher, JD, Sarah Chasteen, Tom Carrico, Steven Heilman, MD, Peggy Lewis, Lindy Oechslein, Karen King, Polly Bentley, Jeff Knott
<b>Scope of Work</b>	<p>Assess the current levels of adoption &amp; participation in HIE &amp; the public &amp; private resources that are supporting adoption &amp; participation in HIE statewide and to the extent possible by geographic region, such as medical trading area/ area development district/ county</p> <p>Complete an “environmental scan” that identifies:</p> <ul style="list-style-type: none"> <li>• Barriers to provider adoption and meaningful use</li> <li>• Priorities/“targets” (geographic areas, provider types, etc.)</li> <li>• Existing public &amp; private capacities that could be expanded or leveraged, including relevant collaborative opportunities that already exist; human capital/technology, etc. that could be applied</li> <li>• Other public &amp; private resources that could be accessed</li> </ul> <p>Identify gaps and strategies and resource requirements to fill the gaps; and then, prioritize implementation and describe how the resources will/ or could be acquired</p> <p>Identify strategies and potential public and private resources that could be used to support adoption among healthcare entities not eligible for federal incentive payments</p> <p>Identify methods for disseminating information about the availability of supports for adoption and meaningful use to clinicians, organizations, etc.</p> <p>Identify methods for coordinating support services, etc. to meet the needs, maximize resources, and realize increased rates of adoption and meaningful use</p>
<b>Approach</b>	<p><b>May 28, 2010 Meeting:</b>  <i>Focus: Federal support for adoption and meaningful use; and, what we currently know about adoption rates among providers</i></p> <p>Sandeep Kapoor will provide an overview of the incentive payments program for eligible providers and describe how the DMS is preparing to respond. Participants will also discuss the KMA 2010 Provider Survey, adoption data from a September 2009 SK&amp;A survey to begin the process of constructing an “environmental scan.”</p>
<b>Deliverables</b>	<p>Documentation that projects the current rates of adoption and meaningful use among clinicians and healthcare organizations statewide and regionally</p> <p>Documentation of existing public and private resources that are being used to support provider adoption and meaningful use</p> <p>Documentation that describes priorities and the targeted groups/organizations/regions and the strategies that will be employed</p> <p>Documentation of how existing public and private resources will be used to address the aforementioned priorities; new resources acquired and/or leveraged; and unmet resource needs in priority order along with potential sources that could be tapped</p> <p>A plan for coordinating the work of the public and private entities that are providing support for provider adoption and meaningful use</p> <p>A plan for disseminating information about the availability of support for adoption and meaningful use</p>
